Welcome to the new Mallee Park newsletter

Wow! What a hot summer at Mallee Park! It's been so hot, its been unmerciful!

18 days over 40 and 6 over 50! But the cooler weather finally seems to be presenting itself!

We intend to email these monthly news updates on what's happening at the park and any specials that we have running, plus our monthly winners of the FREE ride draw. So stay tuned and we hope you enjoy them.

If you wish to unsubscribe, simply click on the link below and we'll leave you alone!

After such a long hot summer, we have decided that as from the end of this year, the park

will close Christmas Day until Easter each year, in a similar way to the Flinders Ranges.

That way we can keep you all out of the heat and do some

the word out generally.

We also featured nationally on "The Shack" last week and this clip will be on our web site soon!

10 New bikes for the park so far this year

maintenance over the break.

You may have noticed the start of our TV advertising on Channel 9 and Go for the past couple of months and this has proven very effective getting

Each monthly news letter we will draw 2 winners from a hat for a FREE quad ride, so good luck with that and we hope you win!

Night tour bookings back on for winter

Don't miss out on your night ride! They are awesome and a very different experience to a day ride. We also hope to start a regular group ride soon, where riders leave from 5.30pm onwards on Saturday nights and join a BBQ and campfire in the bush.

A great night is promised and prices include bike hire, food and drinks.

Night tours are only available to club members that have completed a prior daytime ride. And remember a minimum 5% discount applies to all previous riders upon booking.

Drop us an email now to register interest, however, the next news letter will set out dates and more information.

Numbers will be strictly limited so don't miss out!.

Open Day Coming Soon!

We have lots of people that call and wonder what it's like going for a quad ride in the bush and we often can't explain well enough that it is great fun for ALL ages!

We had a bridge club come up late last year with 8, 55+ year old ladies who had a great day and finished off with a game of bridge in the park café area! (of course).

To allow people a chance to experience the park or just for fun, we will be having 3 open days this year that will let people "have a go" on a bike and enjoy a BBQ. We plan to have horse rides, quad rides, trampolines, face painting and music, So watch out for that one!

Kids and seniors! It doesn't matter, you set the pace and explore a great piece of the real aussie outback. More coming soon!

Ryan, enjoying the Olympic size trampolines at the park.

Corporate Days!

So far this year, we have seen staff from Westpac, Smiths and ANZ enjoy a great day out for their social clubs and incentive programs. Night rides are a great team function! Contact Sarah for any information 8531 2492.

Kids Birthday Party Rides a HUGE hit

The "Joey" and "Junior Explorer" birthday plans were launched last year and have been a huge hit with over 120 party rides held in the second half of last year. Kids party rides are quite affordable, making it easy to bring the whole gang up for a Birthday party or get together.

Starting at \$49 per head, the young trail blazers will get to enjoy 2 x 15 Minute rides around

the new commando track and have use of the trampolines and BBQ facilities in the park.

Don't forget to book early as we can only accept a few kids parties each weekend.

The great thing about kids party rides is that with the Joeyes, the children stay within the parents reach!

Explorers, head off into the park!

James and Chloe Helgeson from Murray Bridge ready for their big ride, completed the entire trail!

New Staff at the Park

We have a few new staff at the park this year and this means we can handle more rides and now also complete repairs on site. Meaning, if you have any dramas, we have a mechanic ready to go! Renae has left for a while to have a baby! And Emma still heads up the senior tour riders team.
